PROFESSIONAL SUMMARY

Results-driven Virtual Medical Administrative Specialist with 3+ years of healthcare administration experience spanning prior authorization, insurance benefits verification, patient scheduling, referral coordination, claims support, and clinical administrative workflows. Experienced supporting U.S. healthcare operations remotely across rehabilitation, behavioral health settings, and payer-side healthcare operations. Strong focus on accurate documentation, proactive follow-up, patient access, provider coordination, and reducing avoidable delays.

PROFESSIONAL EXPERIENCE

Cancer Rehab Group (CRG) & Restorative Health & Wellness (RHW) **Medical Virtual Assistant — Contract, Remote U.S.**

May 1, 2026 - Aug 13, 2026

- Pioneered and established streamlined administrative workflows supporting multi-state rehabilitation operations across Nevada and Indiana, covering scheduling, referrals, prior authorizations, insurance verification, patient coordination, and provider requests.
- Managed in-person and telehealth scheduling for physical therapy (PT) and speech-language pathology (SLP), including provider availability, appointment changes, cancellations, follow-ups, and under booked schedules.
- Coordinated referrals and orders with physicians, hospitals, specialty clinics, and healthcare facilities, including referral requests, date corrections, backdating inquiries, fax submissions, and follow-up communication.
- Performed prior authorization and coverage checks for rehabilitation services, researched payer requirements, documented findings, and coordinated authorization-related issues with clinical and billing teams.
- Conducted patient outreach through phone and SMS regarding appointments, referrals, availability, therapy coordination, and follow-up needs.
- Created and maintained patient communication templates, referral request forms, fax letters, and administrative documentation to standardize recurring workflows.
- Coordinated directly with physicians, nurses, therapists, referral coordinators, and administrative staff to resolve scheduling, referral, authorization, and patient-access issues.
- Maintained accurate patient records, appointment information, referral status, and administrative notes while handling sensitive healthcare information.
- Supported post-operative and specialty rehabilitation coordination, including follow-up scheduling and communication with patients and clinical teams regarding therapy recommendations.
- Prioritized urgent patient needs, pending referrals, authorization requirements, provider requests, and other time-sensitive administrative tasks across multiple workflows.

PsychPlus (Behavioral Health Clinic) **Medical Virtual Assistant - Remote US**

Apr 18, 2025 - Apr 24, 2026

- Verified patient insurance benefits and ensured required information was complete prior to visits to support clean claims and reduce administrative delays.
- Coordinated new, follow-up, and rescheduled behavioral health appointments using Galaxy EHR and KIPU EMR while maintaining accurate provider calendar alignment.
- Managed referrals received from facilities, ensuring accurate documentation, proper routing, and timely coordination with patients and providers.
- Communicated with patients and internal teams to resolve scheduling conflicts, obtain missing information, and improve patient readiness.
- Maintained accurate appointment and referral information and supported day-to-day administrative workflows within a behavioral health setting.

Concentrix — Aetna Healthcare **Customer Advocate 1**

Jul 29, 2024 - Apr 11, 2025

- Assisted members with insurance benefits, eligibility, claims, billing inquiries, and prior authorization status using Salesforce, eviCore, and internal healthcare systems.
- Verified coverage details and explained deductibles, copays, coinsurance, covered services, and claim-related information in a clear and accurate manner.
- Communicated with members regarding authorization requirements, claim status, benefits, and coverage limitations, helping reduce repeat inquiries and unnecessary delays.
- Researched member and claim records to resolve insurance-related concerns while maintaining accuracy, privacy, and compliance with healthcare procedures.
- Managed a high volume of healthcare inquiries while maintaining detailed documentation and accurate account information throughout each interaction.

ProbeCX — Holland America Line Cruise Reservation Specialist

Feb 2, 2024 - Jul 11, 2024

- Managed cruise bookings, itinerary changes, reservation details, and customer requests using Polar Vision and a DOS-based system in a high-volume environment.
- Applied consultative selling techniques to recommend upgrades, add-ons, and packages based on customer preferences, contributing to revenue growth and customer experience.
- Maintained accurate data entry and real-time booking updates to protect reservation integrity and customer satisfaction.

ResultsCX — Ambetter Healthcare Prior Authorization Specialist

Oct 20, 2022 - Jan 8, 2024

- Partnered with provider offices on prior authorization requests for procedures, pain management, and other services, ensuring submissions were accurate and aligned with payer guidelines.
- Reviewed clinical documentation, including CPT and ICD-10 details, and verified benefits to determine authorization requirements based on service type and coverage.
- Communicated with providers to resolve missing information, monitored authorization status, and followed up with payers to support timely approvals.
- Updated and resubmitted authorization requests when additional documentation was required and maintained detailed authorization records in EPIC and internal systems.
- Handled prior authorization intake for Ambetter Healthcare, receiving and reviewing authorization/precertification requests before clinical nurse review.
- Reviewed requests for completeness and accuracy, identified missing or inconsistent information, and routed cases to the appropriate prior authorization nurses for medical-level review.
- Applied payer-specific authorization requirements and maintained accurate request documentation to help minimize avoidable delays and denials.
- Processed a high volume of authorization and referral requests while maintaining accuracy and timely turnaround.
- Served as an informal coach/subject-matter resource for team members, assisting with process questions, new-hire support, and administrative tasks.
